Through,

The President, District Board,

Bellary.

Sir,

I have the honour to state that the District Medical Officer Bellary proposes to give a contribution of Rs.100/- from the taluk board funds towards leprosy work which is likely to be carried out in my jurisdiction in this month or the next month by the group Leprosy Officer specially deputed for the purpose. The President, District Board, Bellary, also recommends the proposal. As this expenditure is one of an extra-ordinary nature, it cannot be incurred without the sanc-tion of Government. Though the Taluk Board are not now in a position to contribute any amount for the purpose owing to their financial stringency, they have resolved in Resolution No.38/20-10-32 to give a contribution of Rs.50/- only as the patient is represented to be very urgent. It may kindly be sanctioned.
